

WE ARE HIRING!

Suncoast offers a competitive salary for Targeted Case Manager

Imagine the difference you can make.

We are looking to add to our growing team of professionals to serve residents living on the Treasure Coast.

About Us

Our team at Suncoast Mental Health Center, Inc. (SMHC) provides comprehensive therapeutic services. We are a client centered, family focused and community-based organization that provides services in the schools, homes, via Telehealth, and in Suncoast offices.

Full-time benefits:

- Company sponsored medical as well retirement plan matched by Suncoast
- Access to dental, vision, and other incidental policies
- Paid life insurance
- Paid Time Off
- Paid holidays (8)
- Flexible work hours
- Free supervision toward licensure for LMHC and LCSW
- Paid mileage
- Laptop is provided for work related duties

What We Are Looking For

A Targeted Case Manager, consistently exercising his/her sound judgment and discretion, performs services for children and/or adults with mental health issues, in accordance with all federal, state, and local laws, professional ethics, Suncoast policy and procedure, and contract requirements. Targeted Case Managers are responsible for ensuring their clients have all resources deemed necessary and appropriate in order for the client to fully participate in mental health services. In this regard, Targeted Case Managers are expected to be proficient, knowledgeable, and responsible for linking and connecting clients and their families in the services indicated in the client's service plan. As determined by the Targeted Case Manager, services will be provided to clients in the office, home, school, or environment in which problems arise and where issues occur.

Qualifications

MINIMUM QUALIFICATIONS

Education: Bachelor's Degree from an accredited university or college, preferably with a major in the field of counseling, social work, psychology, criminal justice, nursing, rehabilitation, special education, health education or a related human service field

- 2,000 hours of work experience providing direct behavioral health case management services to adults or children in the fields of mental health, substance abuse or child welfare. One year of full-time employment at 40 hours per week, equals 2,080 hours. Work experience must be directly related to the core competencies of the credential and must have occurred within the last five years. Volunteer experience and non-clinical internships are not eligible for certification purposes.
- If not already certified, must be certified within the first year.
